Re: Your letter 1-27-77  
Re C1-726-24

Dear Sir:

In response to your inquiry, enclosed are material data sheets on the following products:

1. Wilhold White Glue
2. Thinner #701

*DPM 862*  
*DPM 1034-4*

Item #1 is not a DOT regulated item as it is not hazardous.

Item #2 is a DOT hazardous item. The proper shipping name is Compound paint thinning liquid. DOT hazard classification is Flammable. Flash point cc over 20°F under 50°F.

Very truly yours,

*C. W. Comegys Jr.*
